*Snow Removal Contract 2021/2022 Season (Nov 15, 2021 to April 15, 2022)*

I, Allen Bannakypom (hereafter known as "HOA representative") represent Cedar Mesa Home Owner's Association (hereafter known as "the HOA") and agree to pay SWCO Snow Plowing the quoted price for the following services:

**Hourly Rate for plowing privately maintained roads in Cedar Mesa Ranches: \$90.00**

1. **Scope of Snow Plowing:** SWCO Snow Plowing will plow:
  - For snows up to 2", the hills on 35 and J.7 will be checked and cleared as well as possible so ice doesn't build up due to traffic. (Plowing less than 1" is not practical, especially if the road surface is not frozen.)
  - For snows > 2", all CMR roads will be cleared by at least two passes, with "main routes" being cleared by ~7AM. (35 from entrance to K.3, K.3 to J.9, J.7 to the first level area below the hill, J.8. Snow will be completely cleared from all roadways once snowfall has ceased.
  - If snow continues to fall throughout the day, "main routes" and any drifting on side roads may be cleared again so traffic doesn't pack snow into the road surface and cause ice buildup.
  - Plowing will be performed as outlined above without direction from the HOA unless SWCO Snow Plowing receives other instruction from the HOA representative.
  - Any pack snow buildup that softens to slush will be removed when practical, and hills will be scraped occasionally (during warmer periods) to remove snow buildup as well. Scraping to gravel surface may not always be possible, but effort will be made to reveal at least some gravel for traction on hills.
2. **De-icing:** SWCO Snow Plowing will NOT provide De-icing services of ANY kind. .
3. **Property Damage.** The HOA representative will report, in writing, any property damage caused by SWCO Snow Plowing within 48 hours. SWCO Snow Plowing will repair any timely and properly reported property damage within 48 hours of being notified of the damage, or in the following spring season if repair is not possible because of frozen ground. Notwithstanding anything herein to the contrary, SWCO Snow Plowing will have no obligation, and the owner waives any damages for any property damage not timely and properly reported.
4. **Limitation of Liability:** SWCO Snow Plowing will exercise reasonable care to avoid damage to pavement, culverts, and guardrails. However, SWCO Snow Plowing is not responsible for any: A) damage to landscaping caused by the piling of snow. B) Damage to items that are snow-covered or not visible and not marked. C) Damage from melting runoff. D) Personal injuries resulting from slip and fall accidents. E) Damage to trash receptacles left alongside the road. F) Vehicular accidents resulting from snow covered or icy roads. G) Acts of God or Nature, including but not limited to extraordinary weather conditions resulting in the roads being impassable to normal traffic for a time. In the event of winter storms, the roads will be cleared at the first possible opportunity once the storm subsides.
5. **Indemnification.** The HOA shall indemnify, defend and hold harmless SWCO Snow Plowing, its owners, employees and subcontractors from and against any and all claims, damages, reasonable attorneys' fees, costs and expenses which SWCO Snow Plowing incurs as a result of a claim or claims brought by the HOA or or any third party, arising out of any wrongdoing, negligence and/or breach of contract by the owner alleged or otherwise, or any Act of God, including but not limited to extraordinary weather conditions, that is related, in

any manner whatsoever, to the premises or the HOA's involvement with the premises or the services, including but not limited to personal injuries resulting from slip and fall accidents.
